

— PREPARED FOR

Quick Fix Lube Express

Auto repair shop · Lewisville, TX

Reviews average 4.5 across 204, and your site now works correctly on a phone. You're 1st on Maps for state inspection, but 6th to 9th for oil change, auto repair and brake repair, with no booking link or contact form anywhere.

YOUR GOOGLE LISTING

A complete, claimed profile losing ground on Maps.

Category, hours, 29 services, 38 photos and a full description are filled in. You sit 6th to 9th on Maps for oil change, auto repair and brake repair, with no booking link.

What is holding this grade down: 6th to 9th on Maps for oil change, auto repair and brake repair, and no booking link.

YOUR WEBSITE

Mobile-friendly now, thin once someone's on the page.

The site loads securely, reads correctly on a phone, and carries structured data with your address and hours. One image covers 29 services, and "Request Service" just repeats a phone number.

What is holding this grade down: No contact form on the site, and "Request Service" repeats a phone number instead of opening a form.

Yours to keep
in your name

Not covered by this job: Website in the regular results, Booking link, Map results across five searches. Worth a conversation. Everything we build or correct stays in your name: your website, domain and Google Business Profile. You keep every login.

This is only the part we can see from outside your shop.

A 20-minute call would cover the rest: how calls come in after 6pm, what happens when someone finds you on Maps instead of your website, and where a fix pays off fastest.
