Luigi's Autobody & Collision Repair

Auto body shop · Denton, TX

You have no website of your own, so anyone who looks you up finds only your Google listing. That listing holds a 4.9 rating across 150 reviews, but the last post was June 2021, there is no booking link, and the description skips Denton and several of your other services. You rank 2nd in Denton for "best auto body shop," but fall to 20th or outside the top 20 for searches naming dents or hail damage.
