Dove Creek Animal Hospital

Veterinary hospital · 1200 Bent Oaks Ct, Denton, TX 76210

Your 4.7 rating is close to the top clinic's 4.8, but 226 reviews is a fraction of their 1,640, and the listing's description field is blank. None of six searches placed Dove Creek in the map pack's top 3. On the website, the phone number is a tappable link on Home and Contact only, and the homepage's meta description is unedited pasted text, cut off mid-sentence.

YOUR GOOGLE LISTING

A well-rated profile with blank spots Google shows to everyone.

4.7 stars from 226 reviews. The profile is claimed, with accurate categories and hours. The description field is blank, there is no Book Online link, and the review count trails the area's top clinic by more than 1,400.

What is holding this grade down: A blank description, no booking link on the listing itself, and a review count far behind the leading clinic's 1,640.

YOUR WEBSITE

A readable site with a few pages pulling the grade down.

HTTPS, a clean mobile layout and a real booking link are all in place. Click-to-call works on Home and Contact only, most homepage images carry no alt text, and the meta description is unedited pasted text, cut off mid-sentence.

What is holding this grade down: Click-to-call missing from About, Services, Reviews and Expert Advice, no contact form anywhere on the site, and a meta description that reads as an accident, not a sentence.
