Strittmatter Air Conditioning, Heating & Plumbing

HVAC & Plumbing · 2340 Justin Rd Suite 204, Highland Village, TX 75077

Your Google listing is strong: 4.9 stars from 695 reviews, and #1 on the map for every plumbing search we ran. Your website is solid and mobile-ready, but three things need fixing, including a phone number that doesn't match your Google listing.

YOUR GOOGLE LISTING

A strong, active profile with one stale field.

Your rating, reviews, photos, hours and booking link are all in good shape. The one thing holding this grade down: the services field names only two broad categories, well short of the range you actually offer.

What is holding this grade down: The services field on your Google listing names only HVAC and Plumbing, not the full range you actually do.

YOUR WEBSITE

A well-built site with three things to fix.

Fast and mobile-ready, with an instant quote tool and a clean layout. Three things need fixing: a map or directions link, structured data naming your business as a local business, and a phone number that matches your Google listing.

What is holding this grade down: No map link, no LocalBusiness structured data, and a phone number that doesn't match your Google listing.
