Cafe Smile Studio

Cosmetic dentist · 2330 Justin Rd Ste 300b, Highland Village, TX 75077

Your reviews average 5.0 across 263 ratings, and you rank first on Google for teeth whitening in Highland Village. But the homepage sets a fixed 1440-pixel viewport, so a phone squeezes the whole layout into its screen, the phone number can't be tapped, and none of your 86 images carry alt text.

YOUR GOOGLE LISTING

A complete, well-ranked profile with no booking link of its own.

Category, hours, 15 services and a full description are in place, and the profile is claimed. There's no booking link on the listing itself, and your last post was June 9.

What is holding this grade down: No booking link on the listing, a post from June 9 with nothing since, and a review count under half of Highland Village Smile Studio's.

YOUR WEBSITE

A well-built site held back by a few specific mistakes.

The site has dedicated pages for your main procedures, a working booking link, and clean structured data. But the homepage is built at a fixed 1440-pixel width, so a phone squeezes the layout into its screen, and none of your 86 images carry alt text.

What is holding this grade down: A fixed-width layout that doesn't adapt to a phone, zero alt text across 86 images, and twelve H1 headings on the homepage.

— WHAT IS ALREADY WORKING

- ✓ 5.0 average across 263 Google reviews, with only 3 under five stars.
- ✓ First on Google for teeth whitening, in both the map pack and the regular results, and first organically for dental implants too.
- ✓ A working online booking link on the homepage.

— THE GAPS THAT MATTER MOST

1

Image descriptions

86 images on the homepage, and none of them has alt text.

2

Click-to-call

The phone number is printed in the header and on the contact page, but it is plain text, not a tappable link, on every page checked.

3

Mobile viewport

The homepage sets a fixed 1440-pixel viewport instead of a responsive one, so a phone renders the full desktop layout shrunk to fit, with photos running off both edges of the screen.
