Tangerine Salon

Hair salon · Highland Village, TX

Your Google listing and your website are both doing real work: 4.9 stars across 949 reviews, and you rank #1 in the map pack for 4 of the 6 searches we ran. The main gap we found is specific: there is no Book Online button on your Google listing, even though your own website already has full online booking built in.

YOUR GOOGLE LISTING

Nearly complete, missing one button.

What is holding this grade down: No Book Online link on the listing, even though your website already has full online booking.

YOUR WEBSITE

A strong website, built for Highland Village.

HTTPS, structured data, and a title, H1 and meta description built for Highland Village, not a shared homepage. One spot behind: the meta description quotes 905 reviews, below your current 949.

What is holding this grade down: The meta description's review count, 905, is behind your actual total of 949.
