Strittmatter Air Conditioning, Heating & Plumbing

HVAC & Plumbing · Highland Village, TX

Your Google listing is strong: 4.9 from 695 reviews, claimed, and first on the map for two of the six searches we ran. Your website lacks local business schema and stated hours, shows a phone number that does not match your listing, and is outside the top 10 organically in five of the six searches.

YOUR GOOGLE LISTING

A strong listing with one real gap: the services field.

Reviews, photos, hours and the booking link are all in place. Only two services are listed, HVAC and Plumbing, versus six on your website.

What is holding this grade down: Only two services are listed on the profile, versus six specific services on your website.

YOUR WEBSITE

The on-page basics are solid; the technical signals and the phone number are not.

The title, meta description and headline are all written well. But there is no LocalBusiness schema, no hours, no map, and the phone number does not match your listing.

What is holding this grade down: No schema, no hours, no map, and a phone number that does not match your Google listing.
